INDEX TO VOLUME 12

Compiled by W. E. Bickley

Subject Index

Abstracts
see Reviews and Abstracts
Aedes
control of snow-water species, 87
control in Utah mountains, 43
Aedes diantaeus in Mass., 8
Aedes eggs in irrigated pastures, 145, 236
Aedes vexans
pre-hatch dusting against, 81
Aedes nigromaculis flight study, 236
Aedes punctor
mating swarms of males, 248
Aedes taeniorhynchus
control in Canal Zone, 15
dispersal of, in Florida, 174
Aerosol generator, 141
Airplane larviciding for blackfly control, 75
Alaska
lindane and dieldrin against adults in, 242
swarming of *Aedes punctor* males, 248
Anopheles quadrimaculatus
effects of desiccation on eggs, 107
Army mosquito control in Far East, 110
Association news, 34, 116–120, 166–173, 217–220, 259–260

Bait trap, portable, 256
Bibliography
see Literature
Bird malaria, 53
Biting gnats (*Leptoconops*)
control in North Salt Lake City, 49
Blackfly control by airplane larviciding, 75
timing of treatments, 77
Bureau of Entomology and Plant Quarantine
mosquito research in 1951, 150

California
ecological studies of mosquitoes, 235
mosquito control, 79
mosquitoes resistant to insecticides, 1
Canal Zone
pre-hatching treatments in, 15
Cape Cod
mosquito control on, 69
Chloride ion tolerance of four mosquitoes of Okinawa, 191
Committee on Research and Development of Mosquito Control and Related Problems, 166
Communicable Disease Center
water resources development program, 64
Culex tarsalis
overwintering in Nebraska, 205
Culiseta inornata
laboratory rearing of, 195

DDT against larvae, 247
Desiccation of eggs of *Anopheles quadrimaculatus*, 107
Dieldrin against adults in Alaska, 242
Dispersal of *Aedes taeniorhynchus*, 174
Distribution records of mosquitoes
Indiana, 251
Kentucky, 252
Massachusetts, 8
New Mexico, 241
Oklahoma, 10
Panama, 27
Dry materials
mosquitoes reared from, 209

Eastern equine encephalitis, 102
Ecological studies of California mosquitoes, 235
Editorials, 31, 122, 123, 222, 264
Encephalitis
eastern equine, 102
Engineering and mosquito control, 123
EPN against larvae, 247

Far East
mosquito control at army posts in, 110
Florida
mosquito control outlook in, 60
Forest mosquitoes in Panama, 156
Fort Lauderdale, Fla.
adult mosquito control in, 83

Good Neighbor Club, 116

Insecticide and toxicological investigations in Calif., 237
Irrigated pastures
ecological study of, 235

Laboratory feeding of mosquitoes, 215
Laboratory rearing of *Culiseta inornata*, 195
Leesburg, Florida
space spraying in, 16
Lindane against adults in Alaska, 242
Literature for mosquito control workers, 35, 127, 227, 268

Malaria
control, 136
control in Taiwan, 243
Non-human, 53
Mansonia control in Leesburg, Fla., 16
Mansonia indubitans in Panama, 27
Massachusetts
Aedes diantaeus in, 8
Merced County, Calif.
mosquito source reduction program, 61
Microinjection technique in mosquitoes, 216

Mosquito Control
in Alaska, 242
on Army Posts in the Far East, 110
in California, 79
on Cape Cod, 69
in Cascade Mountains, Oregon, 87
and engineering, 123
extensive versus intensive techniques, 72
in Florida, 60
in Fort Lauderdale, Fla., 83
in Leesburg, Fla., 16
in Merced County, Calif., 61
moves forward, 135
plumber's nightmare, 141
research and development of, 166
in South America, 153
in the South Pacific, 164
in Taiwan, 243
in Winnipeg, Canada, 57
Mosquito research by B.E.P.Q., 150
Mosquitoes reared from dry materials, 209
Mosquitoes resistant to insecticides, 1, 205

News and Notes (see also Reviews and Abstracts), 29–30, 120–121, 221, 261–263
Non-human malaria in mosquitoes and English sparrows, 53
Northern biting flies, 91

Okinawa
chloride ion tolerance of mosquitoes, 191
Oklahoma
distribution of mosquitoes in, 10
Overwintering *Culex tarsalis,* 205

Panama
forest mosquitoes and yellow fever in, 156
Mansonia indubitans in, 27
Papers and proceedings of annual meeting, 43–102, 135–166
Parathion against larvae, 247
Passaic River Valley
pre-hatch dusting against *Aedes vexans* in, 81
Plumber's Nightmare, king size, 141
Portable mosquito bait trap, 256
Pre-hatching treatments
in Canal Zone, 15
in Passaic River Valley, 81
Protection from northern biting flies, 91
Psorophora cyanescens in New Mexico, 241
Pupae of mosquitoes
sexual dimorphism in, 7

Radioactive DDT
absorption by resistant and nonresistant mosquitoes, 201
References
see Literature
Research and development of mosquito control, 166
Research on mosquitoes by B.E.P.Q., 150
Resistant mosquitoes
absorption of radioactive DDT, 201
in Calif., 1
Restrainer for small animals, 215
Reviews and Abstracts (see also News and Notes), 32–34, 125–126, 223–226, 265–268

Aedes females
responses of, 33, 224
Aedes leucocelaenus and yellow fever in Brazil, 225
Anopheles aztecus in Mexico, 225
Anopheles darlingi control in Brazil, 266
Anopheles hyrcanus sinensis in Japan, 225
Anopheles larvae and insecticide evaluation, 266
Anopheles sintonioides in Hainan Island, 224
Anopheles in South Russia, 32
Anopheline distribution in China, 224
Anopheline larvae in Sardinia, 225
Anophelines of Indonesia, 33
Anophelines of Venezuela, 267
Aqueous suspensions of insecticides, 125
Blackflies in Labrador, 266
BHC and DDT in malaria control, 226
Contact insecticides availability of, 126
DDT against *Anopheles darlingi* in Brazil, 266
DDT and BHC in malaria control, 266
DDT dispersal from aircraft, 267
Distribution of Anopheline mosquitoes in Thailand, 224
Distribution of liquids in esophageal diverticula and stomach of mosquitoes, 223
Eggs of Japanese *Anopheles,* 224
Evaluation of insecticides against *Anopheles* larvae, 266
Labrador blackflies, 266
Malaria
present status of, 265
Malaria control in Greece, Cyprus, and Sardinia, 32
Malaria vectors
world distribution of, 125
Morphological characters in mosquito pupae, 126
Mosquito abatement in Calif., 33
Mosquito behavior and malaria, 265
Mosquito pupae
morphological characters, 126
Mosquitoes of Edogawa (Japan), 126
Mosquitoes of Hokkaido, 224
New species of *Aedes* from Mexico, 32
Ntaya virus, 32
Paris green larviciding in Hankow, China, 126
Precipitin test and blood meals, 267
Responses of *Aedes* females, 33, 224
Rice field mosquitoes in Calif., 32
Venezuela
Anopheline distribution and bionomics, 267
West's THE HOUSEFLY, 33
World distribution of malaria vectors, 125
World status of malaria, 265
Yellow Fever, edited by G. K. Strode, 223
Yellow fever vectors in Uganda, 32
Rice field mosquito studies, 237, 238

Screening of larvicides, 33
Sexual dimorphism in pupae, 7
Small animal restrainer, 215
Space spraying in Leesburg, Fla., 16
Snow-water *Aedes*
control of in camp areas, 87
South America
mosquito control in, 153

South Pacific
  mosquito control in, 164
Stirrup-shaped piece of larvae, 253
Swarming of *Aedes punctor* males, 248

Taiwan (Formosa)
  mosquito and malaria control in, 243
Taxonomy of larvae
  stirrup-shaped piece, 253
Technique for microinjection in mosquitoes, 216
Techniques for mosquito control, 72
Techniques for study of *Aedes* eggs, 145
Timing larval treatments in blackfly control, 77
Toxicity of EPN, DDT, and parathion, 247

Utah
  Aedes control in, 43
  control of biting gnats in, 49
  non-human malaria in, 53

Water resources development program, 64
Winnipeg, Canada
  mosquito control in, 57

Yellow fever and mosquitoes in Panama, 156
